Sir:

REQUEST FOR INITIALED FORM PTO 1449

An Information Disclosure Statement was filed in this application on November 6, 2003. In reviewing our file, we find that we have not received from your Office a copy of the Form PTO-1449 which would serve as acknowledgment of receipt of the Information Disclosure Statement and as an indication that the references were considered by the examiner.

Copies of the Information Disclosure Statement, the Information Disclosure Citation on Form PTO-1449, and the postcard that was filed with the Information Disclosure Statement and was stamped by the U.S. Patent and Trademark Office to indicate receipt of the papers, are attached.

The Examiner is respectfully requested either to send us a duplicate of the copy of the Form PTO-1449 or issue a Supplemental Notice of Allowability (PTOL-37) which both acknowledges receipt of the Information Disclosure Statement and the Information Disclosure Citation, and indicates that the references were considered by the Examiner.

If there are any fees due in connection with the filing of this Request, please charge the fees to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,

The following is a concise statement of relevance of the non-English language documents.

1. Japanese Publication No. 2000-019530 is discussed on page 2 of the above-identified application. The publication is referred to by its application number (Japanese Patent Application No. 10-184903).

2. Japanese Publication No. 10-319377 was previously submitted to the Patent Office with the Information Disclosure Statement filed on February 2, 2001. Applicants would like to point out that this publication is discussed on page 3 of the above-identified application.

English-language abstracts of the non-English documents are enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
